THE NEW SCHOLARSHIP FUND FOR YOUNG PHOTOGRAPHERS

Admission & requirements

The BazanPhotos Workshops Scholarship for Young Photographers Fund will be awarded each year to two talented young students under the age of 35, to help them participate in one of Ernesto Bazan's workshops: Easter in Sicily, the only one taught in Europe or one of the workshops in Latin America that he has been teaching for over a decade.

The scholarship is open to all professional and amateur photographers under the age of 35. One scholarship will be awarded to a young photographer who has never studied with me before, the second one is also open to young photographers who have studied with me in the past.

To be considered for the scholarship, please follow the process described below.

For scholarships, apply for the BazanPhotos Workshops Scholarship for Young Photographers before the January, 15th of each year

Application Requirements:

1. Five of your best photographs (rgb jpgs, 300 pixels per inch resolution, 1200 pixels on the long side).
2. An essay explaining the story behind your images and the reason you are applying for the scholarship (maximum of 1000 words).
3. Please submit all applications at **bazanphoto@yahoo.com**

Ernesto Bazan and members of the Scholarship team will review all expressions of interest carefully and will select up to 4 candidates.

Please note that due to the large number of expected applications, we will unfortunately not be able to respond to all applicants; only selected candidates will be notified.

If you are a selected candidate, the second phase of the admission will begin. By February 15th, 2015 you will be required to submit:

1. Twenty photographs (rgb jpgs, 300 pixels per inch resolution, 900 pixels on the long side). These can be from the same series you submitted in your expression of interest or other single photographs.
2. Maximum 500 words explanation of how your work could be advanced through the workshop.

Ernesto Bazan and the Scholarship team will select up to 2 participants each year, who will be notified no later than March 15th of each year, to allow for travel arrangements. Please note that the BazanPhotos Workshops Scholarship for Young Photographers **only covers the workshop fees** and it requires you to make your own travel arrangements and to pay for your own food except for all breakfasts.

We are very pleased to announce that for 2014 the first of the two annual scholarships named after the memory of my father Piero Bazan has been already been awarded to Rafael Ruiz, a very talented young Spanish photographer.

The second scholarship named after the memory of Elsie Hull has been awarded in March 2014 to Jordi Pizarro also from Spain.
